07 Orange Wine

MFO, DOMAINE WEINBACH, ALSACE, FRANCE 13.5%ABV

No, it's not made from oranges. A white wine made the same way as a red. Long skin contact to take all the flavours of the skin and a bit of additional colour. Rich, fat, mouth-filling, complex, creamy and the most beautiful colour you'll ever see on a white wine. Off dry and aromatic. Gewurztraminer and Riesling blend. So good, the boss does not share. Very limited quantities are made each year.
